

The Cape Cod Collaborative is hosting the second annual golf tournament to raise funds to support the educational advancements of students who have successfully fulfilled their academic requirements. Proceeds from this event will serve as a partial scholarship for students who have graduated from the Collaborative. This entire event has been planned and executed as part of a Senior Class project. As part of the project, students have learned valuable social and leadership skills which will encourage future success.

Thank you for your support.

The Class of 2010

Ode To Golf Poem

In my hand I hold a ball
White and dimpled, rather small
Oh, how bland it does appear,
This harmless looking little sphere.
By his size I could not guess
The awesome strength it does possess;
My life has not been quite the same
Since I chose to play this game. It rules my mind for hours on end. A fortune it has made me spend. It has made me curse and cry. But somehow I continue to try. I am promised a thing called 'par' If I can hit it straight and far. To master such a tiny ball Should not be very hard at all. But my desires the ball refuses And does exactly as it chooses It hooks and slices, dribbles, dies and disappears before my eyes. Often it will have a whim To hit a tree or take a swim. With miles of grass on which to land. It finds a tiny patch of sand.
